

Your Free Fatima Centennial Rosary Enclosed!

Dear **xxNamexx**,

Yes! Here it is! Just as you requested! Your free Fatima Centennial Rosary specially created and **made in Italy**, to commemorate the 100th anniversary of Our Lady's apparitions in Fatima, Portugal in 1917.

Don't you agree that this special 100 Year Rosary is a beautiful prayer tool? I've been using mine and find that this holy Rosary makes it so much easier for me to connect with Our Lady. I hope it pleases you and enriches your prayer life, too.

I know it pleases Our Lady, that you are joining thousands of *America Needs Fatima* members by your devotion to the Rosary.

An Important Detail....

Though this one-of-a-kind rosary is free, you'll also find your Shipping Invoice enclosed, in the amount of \$4.95, to pay for postage and handling. (The amount you offered to pay to cover the shipping and handling costs for your free Fatima Centennial Rosary.)

So please return your Shipping Invoice right now because we urgently need the \$4.95 shipping costs to help us distribute even more free rosaries.

And, you will see I've asked if you can give a little more? Maybe just \$10 or \$20 or \$30? Because, this is such a critical time as *America Needs Fatima* prepares for 2017 the Centennial of Fatima.

Then, after you've mailed back the Shipping Invoice and any gift you can spare, start praying with your blessed commemorative Rosary. I want you to live safely under the constant protection of the Blessed Mother.

Yes, it's absolutely true! If every day - as often as you can - you pray this 100th Anniversary Fatima Rosary, I believe that Our Lady will not only protect you in these perilous times but also fill your heart with Her maternal love.

Then - perhaps - maybe your heart will be so full of love that you will join with others who are sharing their blessings by helping *America Needs Fatima* take giant steps to bring our nation back to God.

Because that can happen! It must! That's why I am planning to hold 15,000 rosary rallies this October, and 20,000 on October 14, 2017 the great 100-year Anniversary of the Fatima Miracle.

Do you appreciate the Miracle of Fatima and how Our Lady continues to perform miracles for us, even today?

I enclosed a **Rosary Miracle Story** for you. It is so telling about how Our Blessed Mother responded to Rosary Rallies in Austria with miracles. Please read it.

And, then see how we've been preparing the same over these past 10 years and building to 2017 when we will have over 20,000 Rosary Rallies and over 1 Million people saying the Rosary!

Our Lady knew. She knew we would need this help as we confront all the sin, blasphemy, Satanist attacks, persecutions, marriage redefinition, abortions, Catholic Church defiled...

Will you help me prepare for Our Mother's next miracles?

You and your family praying the Rosary before a beautiful image of our Blessed Mother is a way to offer reparation for all the blasphemies and sins committed against our Church and Our Mother.

This is why I am sending this unique 100-Year Anniversary Rosary of Our Lady of Fatima to special individuals like you.

Please pray it and I believe your life will become more dignified and spiritual. And your heart will grow warmer with love for Our Lady.

And as you pray for friends and loved ones, you will see how the Virgin Mary will bless them and soften their hearts.

Our Lady's Rosary is powerful and it changes lives. I'm convinced it's our most powerful spiritual weapon today! The rosary is your personal link to Our Lady.

Another Miracle Story

Yes, if you pray with deep faith, perhaps a miracle may occur in your life. Just read on!!!

When radical Muslim terrorists flew a death plane into the World Trade Center on 9/11 . . .

. . . one of our friends could see the fireball and smoke from the crash, so he fled his office and tried running down the stairs.

However, the fire doors had locked and he was stuck in the stairwell, listening to the screams of burning people who were still inside the building. It was awful. Horrific.

But with Our Lady's help, instead of panic, he felt calm and grabbed his Rosary and started praying. And within minutes, firemen broke down the doors and set him free. He ran downstairs to freedom.

Incredible!

So you see how Our Lady protects Her children who pray and promote Her Rosary.

And there are wonderful benefits in store for you if you help me to spread the Holy Rosary today.

One of the main messages of Fatima was to pray the Rosary, so we help Our Lady with Her miracles... for our country and for your family.

And you can do this - with your gift of \$10 or \$20 or \$30 or more you can help me call America back to God - with 15,000 Rosary Rallies this year, and an unprecedented 20,000 Rosary Rallies to mark the Fatima Centennial 1917-2017 next year.

How wonderful that will be!

You see, my goal is to have one million people praying the Rosary in 20,000 public squares all across America. Imagine!

So may I hear from you right away?

You understand that we are being forced to live with the terrible sins of Satanism, abortion, and advertisements openly displaying sinful lifestyles.

And yet, by praying and promoting the Holy Rosary you can live safely under the constant protection of the Blessed Mother.

How great it will be, if, thanks to your gift, one person - only one - prays the Rosary and feels peace in his or her heart and turns away from his or her sins. And loves the Blessed Mother.

Help us make the Public Square Rosary Rallies a great success and that will happen! More miracles from Our Lady!

And in appreciation for your gift:

I will immediately send you a most impressive and very spiritual **Rosary Guide!**

The Rosary is without doubt the greatest spiritual weapon of the 21st century. And in these terrible times the Blessed Mother has granted even greater power to the Rosary.

This **Rosary Guide** will help you pray your special 100 Year Rosary, as never before!

It has beautiful full color illustrations and meditations for each mystery.

I hope you pray often with your new Rosary for the conversion of America in time for the 100-Year Fatima Centennial.

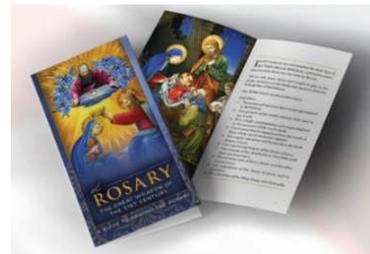

And I thank you in advance for understanding why it is urgent for me to ask special help from you now, and I hope you will send a generous gift. Thank you!
